

# LOFTED BARN

The Lofted Barn has the most cubic feet of storage space offered on a Cook building. The 6' 3" sidewalls offer plenty of headroom, and with a loft overhead, your floor space can be kept clear for larger items. The Lofted Barn is for those of you with lots of stuff!

## Available Sizes

8x12 • 10x10 • 10x12 • 10x14 • 10x16 • 10x20 • 12x12 • 12x14 • 12x16
